

State Troops Defend Marksberry

ADJUTANT GENERAL OF STATE IN CHARGE OF THE MILITIAMEN

Bracken County Authorities Take Precautions in Murder Trial—State Troops Will Preserve Order When Verdict Is Returned.

Taking no chances on trouble, the Bracken county authorities Wednesday night asked Governor Morrow to furnish a company of troops to guard Marksberry and the Bracken county court house. The Governor immediately ordered the Latonia State Guards under command of Captain L. V. Crockett to proceed immediately to Brooksville and Adjutant General De-weese was notified.

The troops arrived in Augusta from Latonia on the C. & O. train this morning and were taken directly to Brooksville by automobile. General De-weese arrived in Maysville over the L. & N. this morning and at once took an automobile for Brooksville where he took charge of the company.

The arrival of the troops in Brooksville was quite a surprise to the Bracken county people for few had expected them although earlier in the week many thought that guards might be expected. Immediately upon their arrival the troops took their position about the court house while others of the company cleared the court house of those who were standing about the Circuit Court room. Everything in the town of Brooksville was very quiet. No excitement except that which was caused by the arrival of the troops was noticeable although the crowd of people in the town was very large.

Judge Newell did not convene court this morning until nearly 10:30 o'clock and instructions were argued by the attorneys on both sides. After being in session for but a very short time, court adjourned to meet again at 1 o'clock at which time arguments began. There were to be three speeches before the jury. The first was made by Senator W. A. Byron, of Brooksville, who is

assisting Prosecutor Grinnis and his speech was to have been followed by Hon. Blaine McLaughlin for the defense while the District Prosecutor was to have closed the argument for the prosecution. It is more than likely that arguments will be closed late this afternoon and that Judge Newell will give the case to the jury at once. It is not known, however, whether there will be a night session of court to receive the verdict of the jury, should it be reached early in the evening or not. It seems to be the general opinion of court officials that this will not be the case and that the jury will be allowed to keep the case until Friday morning when they will report into court if they have been able to reach a verdict.

There has been much talk throughout this district coming from Bracken county for the past several days that unless the jury did find Marksberry guilty and fix his punishment at death in the electric chair there would be trouble and it was to guard against any such trouble upon the return of the verdict that the Bracken county authorities thought best to ask the Governor to furnish troops. With the presence of this company of troops under the personal direction of the Adjutant General of the state it is hardly thought there will be any kind of trouble.

These troops are the same guard which were on duty at the Fayette county court house during the riot there a few months ago when an infuriated mob endeavored to take Will Lockett from the court authorities.

H. L. NADEN GETS BIG POSITION.

Mr. H. L. Naden, son of Mr. L. A. Naden, of this city, has been appointed chief inspector of one of the General Electric Company's largest plants at Rochester, N. Y.

COLORADO MAN DIES.

REYNOLDS PRESIDENT VISITS LOCAL PLANT WITH KY. DIRECTOR

President of the R. J. Reynolds Tobacco Company Spends Day in Maysville Inspecting Local Plant—His Plant Here Expected.

Mr. W. N. Reynolds, of Winston-Salem, N. C., president of the R. J. Reynolds Tobacco Company, spent today in Maysville and left this afternoon with Mr. Theo. Kirk, of Lexington, manager of the Kentucky District, for an inspection of the company's plant at Lexington. While in Maysville Mr. Reynolds and Mr. Theo. Kirk were the guests of Mr. E. T. Kirk, local Reynolds manager.

Mr. Reynolds was very much pleased with the Maysville plant and with the manner in which it has been managed. From the local plant a number of schemes both in the office and factory have been developed which have been adopted in all of the Reynolds plants in the country and which have proven money makers for the company. Recently a scheme was developed in handling tobacco in the temporary department which saves the company several thousands of dollars annually.

While Mr. Reynolds made no public announcement of any intended improvements to the local plant in the very near future, it is understood that the big building in which the plant is housed will be built out to Forest avenue in the near future, if not during this season. It is the purpose of the Reynolds Company to make their Maysville plant one of their largest.

STUDENT OF RELIGION IS TO SPEAK HERE

Kentucky University Professor To Speak On Religion at Court House Tuesday Evening.

Dr. P. P. Boyd, who lectures at the court house Tuesday evening at 7:30 on the "Social Functions of Religion," is a graduate of Oberlin College, holds his masters and doctors degree from Cornell University, is a member of a large number of scientific and educational societies including the American Mathematical Society, Mathematical Association of America, American Association for Advancement of Science, National Educational Association, American Association of University Professors, Kentucky Educational Association, Kentucky Academy of Science, etc., etc., and is the author of mathematical textbooks.

Dr. Boyd is a prominent church worker and has given much time to the study of his subject.

All those who recognize religion as a great social force, and those who recognize the need of a unifying and harmonizing principle in the social order but who look upon religion as a matter of individual concern only, will be interested to hear Dr. Boyd discuss "The Social Functions of Religion."

As this is the last lecture in the course Dr. Boyd should have a full house Court house, Tuesday evening 7:30 o'clock.

CHAL LAND BARBAIN.

We have for sale 5,000 acres of the finest oak and timber land in Eastern Kentucky, located on a railroad line. There are seven veins of coal on this land and the main vein is seven feet thick. The timber on this land is virgin forest and has never been cut over. On the land adjoining this the timber on 2,000 acres was sold last week for \$35.00 per thousand.

We have a GOOD price on this land and have only a short time to sell same. If interested better see us at once.

CARRANZA WILL NOT SURRENDER THE PRESIDENCY

Mexican President Rejects Ultimatum That He Resign Office and Postpones Election.

Mexico City, May 6.—President Carranza has defied all his foes, both revolutionary and political, refused to consider resignation from office or flight from the country and has issued a manifesto calling upon all loyal citizens to support his government.

Because of the revolutions, President Carranza has postponed the national election, set for July 4, at which his successor was to be chosen. "The revolts of General Obregon and General Gonzalez are nothing but military plots to overthrow the actual government by force," said the proclamation. Before General Obregon and Gonzalez revolted the country was "nearly pacified," said the document, and the president's "best aims were to turn over the reins of government to a man elected by the people."

The government is ready to begin a strenuous campaign against the rebels dominating various states in the republic and is hopeful of success in putting down the present movements. General Francisco Varguena, heading a powerful column of Federal troops, has left the capital for Puebla, where he intends to engage the forces of General Pablo Gonzalez, whose defection was one of the most severe blows to the Carranza regime.

TAX SUPERVISORS WILL MEET ON FRIDAY.

The Board of Tax Supervisors which was elected by Council on Monday evening will meet at the Mayor's office on Friday to begin their work of equalizing the city's tax assessment as returned by Assessor Harney. It is expected that this board will increase the city tax assessment materially.

PRAYER MEETING TONIGHT.

Rev. Peters, pastor, will conduct the weekly prayer service at the Third Street M. E. church this evening at 7:30 o'clock. The choir will practice after prayer service. All singers are urged to be present as Mother's Day selections will be practiced.

FRANKFORT FIREMEN QUIT.

Frankfort Ky., May 6.—Firemen of this city resigned in a body Tuesday because of low wages. Mayor Rosson called a special meeting of the city council for Thursday to pass an ordinance increasing the salaries of the firemen \$15 a month.

NEGRO ESCAPES FROM JAIL WHILE MARKSBERRY WAS EATING

Ed Mason Walks Out Jail Door and Makes Good His Escape—Is Expected To Be Soon Returned To Jail.

Ed Mason, better known as "Bible", escaped from the Mason county jail at an early hour this morning and is still at large although the officials feel certain that they will soon again have him behind the bars.

Mason has been considered a sort of trusty about the jail, no one thinking that he would attempt a get away and he was in the lower lobby of the jail this morning when the turnkey took Marksberry's breakfast to him. Marksberry was on the second floor and as there were no prisoners except Mason on the first floor, the door was simply closed and was not locked. The officials had no sooner reached Marksberry's cell on the second floor until "Bible" had escaped quietly through the door and was making his way from the jail in a run.

The escaped prisoner was seen on the Elmore hill but he hid in the bushes on the hill side and the officials were unable to locate him. It is known, however, that the negro will not leave this section and the officers will soon again have him in their charge. "Bible" has been indicted for house breaking and grand larceny in connection with the theft of clothing from the Dress Tailor Shop in Market street and from a Bridge street residence.

MR. HENRY LEONARD DIES.

Mr. Henry Leonard died 65 years, died at his home in East Second street Wednesday evening at about 7 o'clock, after a long illness. Besides his wife he is survived by two children, Miss Ann B. Leonard, of this city, and Mr. Harry B. Leonard, of Albany, N. Y. The funeral will be from St. Patrick's church Saturday morning at 9 o'clock and burial will be made in the Washington cemetery.

SEED SUPPLY EXHAUSTED.

The supply of garden and flower seeds received by the Public Ledger from our Congressman has been completely exhausted. The supply, which was short this year, lasted only a couple of days.

Mr. Edward Geisel who has been quite ill at his home in Front street is reported as somewhat improved today.

Last day for discount of May 1st gas bills.

ANNUAL BICYCLE PARADE PROVED DECIDED SUCCESS

Many Beautifully Decorated Machines In Parade—Twenty-Five Youngsters Win Valuable Prizes.

The annual bicycle parade given under the auspices of the United Cycle Trades Association under the personal supervision of Mr. Karl Bander, which was held on the local streets Wednesday afternoon was decidedly the biggest success of any of the former events.

There were more machines in the parade and the decorations displayed more thought and effort on the part of the youngsters and their parents. The task of judging such a parade is nothing easy but after considerable inspection the judges awarded the prizes as follows: 1. James David Langefels; 2. Watson Stalder; 3. Ernest Broad; 4. John Thomas Laman; 5. Robert Adair; 6. Roger Cayllinger; 7. Edwin Triebel; 8. Frances Redden; 9. Langston Osborne; 10. Amelia Hendle Childs; 11. Sam McNutt; 12. Andrew Imbeneker; 13. Robert Peters; 14. Smith Pickett; 15. Thomas Richardson; 16. Mary Jane Harting; 17. Albino Pike; 18. Elmer Stewart; 19. Richard Schatzmann; 20. Stanford Rolph; 21. Robert Lynch; 22. Frank Keith; 23. Allen Wood; 24. Dorothy Cayllinger; 25. Clarence Eitel.

The prizes were valuable ones, the first prize being a beautiful gold watch. The youngsters were very much pleased with the affair and will begin now to think up plans to decorate their machines for next year's parade.

MOTHER'S DAY PROGRAM.

Mother's Day will be observed with appropriate service by the Sunday school of the Third Street M. E. church next Sunday. The committees in charge wish to announce that they have secured all the carnations they will need for the mothers. One hundred or more are expected. A fine program is being arranged for. The school is assured of a large attendance again in honor of the mothers. The Brotherhood class is expected to be out in force for this service. A handsome Mother's Day souvenir will be given everyone attending to wear in honor of the day.

PRAYER AND BUSINESS MEETING TONIGHT.

The regular weekly prayer service will be held at the First Baptist church this evening at 7:30 o'clock and following the devotional service the regular monthly business session will be held. The membership is urged to attend and the public will be made welcome.

UNIT RULE WILL BE APPLIED TO KENTUCKY DELEGATION

Although Only Twenty of Twenty-Six Delegates Are Instructed for Cox, Unit Rule Will Likely Be Applied.

Louisville, Ky., March 6.—That Governor James M. Cox, of Ohio, may have the support of all 26 of Kentucky's delegates to the Democratic National Convention at San Francisco June 28 was indicated today.

While but 20 delegates actually were instructed for the Obloa, one uninstructed delegate, Joshua T. Griffith, of Owensboro, of the Second District delegation, is an out-and-out Cox adherent, and on the first ballot will vote for Governor Cox.

That a pre-convention caucus of the Kentucky delegates will adopt the unit rule and thus bind the six uninstructed delegates to support the Obloa so long as Governor Cox's name remains before the convention was one of the indications today.

Such a plan, it was said, would not meet with any serious objection, as but one of the 26 delegates is in open opposition to Governor Cox as a candidate for the presidency.

The new National Committeeman, Johnson N. Camden, former Senator, today was asked why the State Convention in its instructions to the delegates at large had omitted the customary injunction to delegates to support the favored candidate "so long as his name is before the convention." Mr. Camden replied that in his opinion the omission of the qualifying clause merely was an oversight on the part of the Resolutions Committee, and that caucus action at San Francisco would remedy the error.

The intent of the committee being apparent, former Senator Camden said, all the delegates at large from the state (eight of whom with half a vote each) will vote for Governor Cox consistently, with possibly one exception and this would mean the loss of but half a vote.

Studebaker
WAGONS, BUGGIES, HARNESS
A STUDEBAKER THAT HAS SAVED MONEY FOR ITS OWNER
I bought my Studebaker from your agent, D. M. Smith, at Flint, Mich., in 1914, and have used it continuously on my farm.
I have a farm of 140 acres, with good buildings, and this wagon hauled all the material.
Two years ago my son put on three tons of sugar beets and hauled it over frozen ground to the scales.
Last summer we hitched a leader behind it and drew our hay to the barn.
The wagon had not been shattered half the time for the last twenty years yet has never broken a wheel or an axle.
John H. Wood, Flinting, Mich.
Not a broken wheel or axle—in use 37 years—still good for haying
Think what it means to get 37 years and more work out of a wagon.

Cuts down the cost—doesn't it?
The Studebaker wagon will stand any reasonable strain.
We know what Studebaker wagons that we have sold have done.
Come in and let us tell you what our experience has been with the Studebaker people, our experience with Studebaker wagons and the experience of those to whom we have sold Studebaker wagons.

THE HOME OF QUALITY CLOTHES GETTING VALUE
Purchase of inferior goods merely because their price is low is false economy. In these days of high cost, superior products are, of necessity, higher in price. Superior goods, however, are always the better buy, for the price difference is more than over-balanced by the difference in value.
When you buy clothes here, you are thrifty. You get the worth of every dollar you spend, in style, tailoring and fabric. The highest qualities and best values are obtainable at this store. Come in and see the new styles.

CEMETERY WRECKED BY GROUP OF BOYS.

Burlington, Vt. — The vandalism which reduced the old and beautiful cemetery at Milton, Vt., to wreckage was the work of a party of 10 to 12 boys. It has been learned. All will probably be prosecuted, according to Deputy Sheriff F. D. Grow of Milton, who came to this city to confer with the county authorities. Forty-seven stones were tipped over, among them those marking graves of old settlers. The entire damage amounts to several hundred dollars.

DOCTOR KILLS SELF TO FREE MIND OF BROTHER.

Trinidad, Colo. — Dr. K. L. Clock, 55, well known surgeon, is dead at Walsenburg from chloroform poisoning, taken, according to a note found clutched in his hand, with suicidal intent, in order to free his 19 year old bride, from "embarrassment."

The couple eloped from Des Moines about a year ago.

Mrs. Clock was a niece of the doctor.

BROTHER ACCUSED OF STEALING LOVE.

Oakland, Calif. — Charging that her husband had falsely accused her of being friendly with his brother and of jostling with other men, Mrs. Jessie Clough filed suit for divorce. She alleges her husband created "rough house" and abandoned her February 2 for the third time.

MARRIAGE COST UP 100 PER CENT. IN MARYLAND.

Baltimore, Md. — Beginning June 1, the cost of getting married in Maryland increases 100 per cent. Licenses have been \$1; they will go to \$2. Nothing will be affected, it is believed, except the state tax books, which will, of course, show a profit at the end of the year.

One hundred and fifty years ago, when Brazilian stones were poured on the market, first quality diamonds sold at a slow as five dollars a carat.

While a clement aims to introduce as many innovations as possible, there is one thing about the tented show that has remained unchanged from time immemorial. This is the size of the tent, which is always 42 feet 9 inches in diameter.

Weak Women

If you are Tired, Over-Worked, Run Down, Vinol, our Cod Liver and Iron Tonic, will help you.

Mrs. Hatcher Says So

So, Pittsburg, Tenn. — "I was in a weak, run-down condition, no appetite and could not sleep. I took school and could hardly keep around. A friend told me about Vinol and it stopped my cough, gave me a good appetite and built me up so I feel stronger in every way." — MRS. C. F. HATCHER.

Women who are run-down, nervous, lack energy and working strength should take Vinol as it contains Beef and Cod Liver Peptides, Iron and Hyposphosphites, the very elements needed to restore a lost appetite, enrich the blood and create strength.

YOU

Need a Bank and a Bank needs you. We think ours is the Bank you need and we are sure you are the customer we desire. There are so many helpful ways that we can serve you and you will always find us anxious to do so. But you will never know how numerous our ways of assisting you are until you open an account with us and give us a chance. Your need for a Bank is not based on the amount of money you have. The person with a small amount of money needs a Bank as badly, if not worse, than a person with a large amount. No matter how small your account may be, we would be glad to have it and assure you of a hearty welcome and our full assistance. Come right in and tell our officers of your needs and be assured of helpful and considerate treatment.

If you have any surplus money, we will pay you interest on it or assist you in making any kind of an investment you may desire.

TERRIBLY SWOLLEN

Suffering Described As Torture Relieved by Black-Draught.

Rossville, Ga.—Mrs. Kate Lee Able, of this place, writes: "My husband is an engineer, and once while lifting, he injured himself with a piece of heavy machinery, across the abdomen. He was so sore he could not bear to press on himself at all, on chest or abdomen. He weighed 165 lbs., and fell off until he weighed 110 lbs., in two weeks.

He became constipated and it looked like he would die. We had three different doctors, yet with all their medicine, his bowels failed to act. He would turn up a ten-cent bottle of castor oil, and drink it two or three days in succession. He did this yet without result. We became desperate, he suffered so. He was swollen terribly. He told me his suffering could only be described as torture.

I sent and bought Theodore's Black-Draught. I made him take a big dose, and when it began to act he fainted, he was in such misery, but he got relief and began to mend at once. He got well, and we both feel he owes his life to Theodore's Black-Draught."

Theodore's Black-Draught will help you to keep fit, ready for the day's work. Try it!

Sir Auckland Geddes, the new British Ambassador to the United States, is probably the only man living who has been an army general, a plain "Mr." and a knight, all in the short space of four days.

DOUBT DISAPPEARS

No One in Maysville Who Has a Bad Back Should Ignore This Double Proof.

Does your back ever ache? Have you suspected your kidneys? Backache is sometimes kidney ache. With it may come dizzy spells, Sleepless nights, tired, dull days, Distressing urinary disorders.

Doan's Kidney Pills have been endorsed by thousands.

Are recommended here at home. Ask your neighbor!

You have read Maysville proof. Read how the Maysville sequel renewed testimony: "test" by time.

Fred Dresel, tailor and Justice of the peace, 1238 E. Second St., Maysville, says: "I was troubled by inflammation of the bladder and annoyance from my kidneys. The kidney secretions burned in passage and often were retarded. I had severe pains across the small of my back which greatly interfered with my work. Doan's Kidney Pills, which I got at Wood & Son's Drug Store, gave me prompt relief."

NEARLY NINE YEARS LATER, Mr. Dresel added: "I have had the same faith in Doan's Kidney Pills today as ever, for I haven't had any trouble with my kidneys since I last recommended them."

Price 60c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Dresel had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

"IN THE DAY'S NEWS."

Oscar W. Underwood, of Alabama, the new Democratic leader in the United States senate, is 58 years old today, having been born May 6, 1862, at Louisville, Ky. Although serving his first term in the senate, Mr. Underwood is a veteran in the public service. He has been cited as the strangest example in modern times of a thoroughly modest man getting a reputation without going after it. Of sixteen years he sat in the lower house of Congress doing splendid work and never getting his name into the papers. Finally the crash came, the Democrats carried Congress, and from sheer merit and nothing else the quiet man from Alabama was made floor leader and put in charge of the party's tariff bill. And he so acquitted himself that within a month he became a national figure, and in 1912 he loomed as a formidable candidate for the presidential nomination. The Senator is a graduate of the University of Virginia and a lawyer by profession.

FISHING SEASON IN FLEMING IS OPENED.

The Morningside Times-Democrat says: Local fishermen are beginning to get in their work on the fishy tribe, but the spring has been an unsatisfactory one, on account of so much fish water. Dr. R. M. Skinner and Sam Crain opened the season at Park Lake last week but made no big catch. Some pretty good fish stories come to us from Fleming Creek, some of them being accompanied by the goods, while others are simply fish stories. The editor hopes to go to Park Lake Thursday and open the season right.

TIRED, BODY AND SOUL?

Not Sick, But Still Not Yourself. Think You'll Be Better Tomorrow—Only You're Not

TRY TAKING PEPTO-MANGAN

It Isn't Sleep You Need, But a Good Tonic—More Red Blood.

Everyone gets run down occasionally. Sometimes it's weeks before you get your energy, enthusiasm and happiness back again.

Any doctor will tell you to be careful in a time like this. Your body has little power of resistance, and the danger of catching some serious disease is great. Temporarily, your blood has too few "fighting" corpuscles.

It's the work of these same red corpuscles to keep you free from fatigue. Being constantly tired out—depressed in body and mind—is almost a sure sign that your blood needs help for a time.

Guide's Pepto-Mangan is a standard remedy in cases of anemia (of bloodlessness). It supplies the iron and other properties your blood needs to catch up with its task of keeping you fresh and alert in every fibre.

Pepto-Mangan has the hearty endorsement of physicians. Is an agreeable tonic to take, and may be had at any drug store in either liquid or tablet form. Both have same medicinal value.

Be sure to ask for Guide's. There is only one genuine Pepto-Mangan, and the name "Guide's" should be on the package.—Advertisement.

ACCEPTANCE OF EASTLAND REMAINS UNDECIDED

City Board of Education Yet To Act On Accepting the Rejected Eastland as Part of City School District.

The acceptance or rejection of Eastland as a school district has not been finally decided by the City Board of Education or by the County Board of Education but the question will probably be settled at a meeting of the City Board this evening.

Investigation has disclosed that the property valuation in the Eastland school district is not as large as the members of the City Board had thought it was but this is no reason to believe that the matter will be dropped by both boards. The County Board of Education has made a proposition to the City Board to dismiss the Eastland district to join with the city district if certain things are done and the members of the City Board will consider this matter very carefully before finally settling on the question.

There are many things to be considered and many angles to the question, all of which the City Board of Education is endeavoring to sift thoroughly and if the members of that board learn that the acceptance of the Eastland district will be mutually helpful to city and county, they will no doubt accept the County Board's proposition and annex Eastland for school purposes.
